Darling Dr Sherel
You have changed my life
I wake up everyday sit on the edge of my bed & say
"Thanks" is not enough-
when someone cares
the way you care. DR
"Thanks" is just a portion
of a deep appreciation
For sharing so much goodness
from your heart,
Your kindnesses are such a source
of joy and inspiration
That "thanks" is not enough-
it's just a start.

is this a dream or what "NO PAIN"
I still can't believe it!!!

THANKS THANKS
THANKS MAY
YOU BE BLESSED
IN MANY WAYS.
