Subject: STARTER PACK

Dear Henry

I was in Cape Town for a week where I received treatment for my constant headaches. I am keeping a file and diary on the progress but have a problem...

Would you please be so kind as to e-mail me the document about "INFORMATION AND BOOKING STARTER PACK" again - I have accidentally erased it off my e-mail!!!

Thank you so much for the wonderful treatment you guys provided me with - my headaches are 100% better and I have recommended you to at least 3 people already!!

Kind regards
Bertie (Alberta Kingsley)
