Subject: thank you

Hi there Dr Shevel

Hope you are well

Compliments to you and your family to the new season and all the best.

After my last visit to you I hadn't had a headache up till today.

I just want to say thank you to you for everything you did for me and in every way you helped me to deal with this headache I had, and now that it's gone I am very great full to you and god.

When I am work I don't get the headache at all now and I think that the operation was successful.

Only when I sleep in different position then I might get a slight pain, but other than that it perfectly fine

Thanks to you I can live my life freely now and not worry when and what time I will suffer with headaches

If it does start again which I hope and pray it doesn't then I will contact you.

In the mean time you take care and I wish you all the best and a good health and all the luck.

God Bless You.
