Dear Sir

Appreciation of quality service

I would like to express my gratitude to the entire staff of the clinic. You are indeed head and shoulders above the rest.

It is gratifying to divulge to you that your diagnoses and therapeutic methods are a revelation of a new dawn in my life. I have been suffering from a chronic headache which I inherited from my father, as we are genetically predisposed to suffer from the ailments from which our parents suffered.

I am a new person today. I am no longer purchasing expensive headache tablets. Your PMC is the benchmark in headache therapy. Indeed you function with the divine intervention of God, your heavenly remedy is quintessential to the medical fraternity. I am now living a

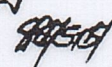

quality life through ^{the} effective, miraculous,
stunning and innovative therapeutic approaches
of The Headache clinic. I salute your clinic,
it is the national asset. It is has brought
exhilaration in my life.

May the omniscient God bless and sustain
your photogenic nurses; your kind physiotherapist
adorable receptionists and the visionary facial
surgeon.

May the success of the headache clinic grow
in leaps and bounds.

Yours faithfully

Samuel Ngidi.
