

Dear Dr Stovel, Nicole &
all at the Headache Clinic

This is just a small token
of my appreciation for
everything you have done for
me. It has been such a
pleasure dealing with people
who are so kind, really do
care and are always prepared
to go the extra mile!

Of course I don't think
I will ever be able to thank
you enough for getting rid of
my headaches. - It's only a
week after my op and I
already feel like a new person..
Thank you so much!

Nicole - a special thanks
to you for all your help
with the organising of
everything and again sincere
apologies for the fun around
you had with the medical
insurance people I really
appreciate your help.

Kind Regards
Shelley
