Dear Doctors and Staff

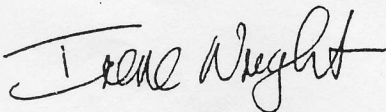

I would like to place on record my sincere thanks to you all for the very efficient, professional and friendly service you rendered me on my recent visits and most of all to thank you for curing me of my headaches, and hold thumbs, my migraines. I have had my plate for six weeks now and have not had either of the above.

So much for being told "Learn to live with the headaches and migraines".

It is so nice to know that there are still people out there who strive to make life better/easier for other people. I have already recommended one friend to your clinic and will not hesitate recommending others.

Once again, thank you all so very much.

Yours sincerely,

IRENE WRIGHT

P.S. Please also give my best wishes to Pat on her recent marriage.

"CONGRATULATIONS" PAT
